

## OUR ACHIEVEMENTS

**CONAFOR and the Mexico REDD+ Program succeeded:**

After six years of working together, Mexico is prepared for REDD+. We combined efforts, knowledge and hard work. Together we confront climate change, prevent deforestation, and work to improve the quality of life in the countryside.

### Developing capacities

**405**

Workshops and courses

**4**

REDD+ learning communities with 50 regional leaders on REDD+

**447**

Informational materials developed in the form of manuals, guides, brochures and tools

**10,408**

PEOPLE TRAINED

**3,318**

WOMEN

**7,090**
